

## **McGregor Plant Sales – Alonia® Angelonia - Easy, Beautiful, Maintenance Free Landscapes**

*McGregor offers easy, landscape friendly Alonia.*

**CARLSBAD, CA** – Finding color, beauty and low maintenance annuals for hot, sunny landscapes is now easier than ever. Angelonia have become a staple in the summer garden due to their tough nature in those demanding situations. **McGregor Plant Sales** offers the best selection for landscape use; the **Alonia** angelonia series from Danziger. **Alonia** angelonias are the dazzling showstoppers that will be this summer's new best friend.

**Alonia** angelonia are a landscapers' dream, having all the attributes that a professional landscaper desires; drought tolerance, maximum color, a unique upscale look and very low maintenance. With a unique, low-branching habit, these spectacular plants cover the ground quickly with more flower spikes on fuller plants without deadheading. Consumers love the spikes of orchid like blooms in a range of colors. In addition to in-ground plantings, **Alonia** makes the perfect summer companion to mixed container gardens and hanging basket combinations. The wide habit allows **Alonia** to freely intermingle with its summertime patiomates. **Alonia** angelonias provide strong color in a wide range of summer conditions, from the hot and humid southeast, to the dry, blazing heat of the desert southwest.

**Alonia** angelonia grow 10 to 12-inches tall and spread 24 to 30-inches boasting flower spikes in purples, pinks, lavenders and white. A versatile, low-maintenance beauty, make **Alonia** the perfect new landscape addition.
