McGregor Plant Sales Canada Inc. Jordan Station, Ontario

McGregor Plant Sales Canada Inc., a subsidiary of McGregor Plants Sales, has officially incorporated in Jordan Station, Ontario in Canada. New entity establishes easier importation of plant material for Canadian growers.

Beginning December 10, 2006 Canadian greenhouses, nurseries and horticultural companies will be able to purchase plant material from around the world through McGregor Plant Sales Canada Inc. and they will not need to obtain or maintain their own import permits nor will they need to find and maintain import broker relationships. In effect the growers will be able to source plants from around the world and do so with the ease of placing an order directly from a Canadian company.
